**False Alarm Response-Malicious**

(This fee is chargeable to the owner of the property at which the alarm was activated, as defined in section 1 of the Ontario Fire Code, 0 reg 388/97 as amended, for each fire service vehicle that is dispatched in response to the alarm, where it is determined by the fire service, that the alarm was intentionally activated, by any person upon the property, with malice, which is defined to include, but not be limited to, operating a manual pull station, directing smoke or heat toward a detection device for the only purpose of activating the device, or filing a false report)  
Minimum Charge up to 1st hour per Fire Dept Vehicle each \$410.00  
Each Additional 1/2 hour per Fire Dept Vehicle each \$205.00

**False Alarm Response-Notification Failure**

flat fee \$526.31  
(This fee is chargeable to the owner of the property at which the alarm was activated, as defined in section 1 of the Ontario Fire Code, 0 Reg 388/97 as amended, for each occurrence where fire service vehicles are dispatched, where it is determined by the fire service, that the alarm was due to a failure to notify the fire department or the alarm company while conducting tests or repair on the alarm system)

**False Alarm Response-Accidental**

flat fee \$368.26  
(This fee is chargeable to the owner of the property at which the alarm was activated, as defined in section 1 of the Ontario Fire Code, 0 Reg 388/97 as amended,

fees and charges

for every second and subsequent occurrence within a 30 day period and to every third or subsequent occurrence in a 12 month period, where fire service vehicles are dispatched, and it is determined by the fire service, that the alarm was due to a properly functioning alarm system detecting a situation that it was designed for, except if the detection is a result of failed notification of testing and repairs to the system or of a condition not within the control of the owner, including but not limited to, changes in atmospheric conditions, excessive vibrations, power failure or drops in water pressure)

**Special Occasion Attendance** per hour \$105.26  
 (Attendance by Fire department trucks and personnel during fireworks display, dances or other private functions)

**Fire Prevention Fire Extinguisher Training** per person \$10.54  
 Training provided using the fire extinguisher training unit for the private sector which eliminates the need to take operational extinguishers out of service, eliminates cleanup, save the client money in refill charges, provides a vital service & interaction.

**Propane Facility Plan Review** each \$1,033.00  
 (A third party review can be ordered by the Chief Fire Official after submission of the phase documentation and the costs would be incurred by the ownership of the company listed in the phase documentation as owners of the property in the County of Brant.)

**Additional Fire Department Expenses** Actual costs  
 The owner of a property shall be responsible for the actual costs required to retain a private contractor or rent special equipment in order to preserve property or evidence or eliminate an emergency or risk. Examples include, but are not limited to, renting heavy machinery such as excavators, contracting security services to protect property or contracting the clean-up of hazardous materials or dangerous goods.
