

Is pleased to present an
information session on the...

SAND PLAINS

Community Development Fund

Sand Plain Community Development Fund is a program created to assist rural communities in the Sand Plains region to build a stronger, more diversified economy.

This Fund is intended for community initiatives which support regional development; stimulate business, investment and job creation; strengthen local populations and attract visitors.

Projects in the counties of **Brant, Elgin, Middlesex, Norfolk and Oxford** may apply for assistance under two separate categories:

- (1) Access to Capital Funding
- (2) Community Development Support Funding

Date: Wednesday April 14, 2010

Time: 9:30am

Location: Paris Fire Administration Hall
61 Dundas Street East, Paris

For more information on the program please visit www.sandplains.ca

Please RSVP for the information session by Monday, April 12, as space is limited
