

Tourism Changes in Ontario and HST

The Impact to the Ontario's Accommodations Industry

The year 2009 brought on significant initiatives that will change the fundamental management structure of Ontario's tourism leading to long term implications for the Hospitality Industry. The **Competitiveness Study Recommendations**, the formation of **Regional Tourism Organizations (RTO's)**, the implementation of the **Harmonized Sales Tax (HST)** and the upcoming **Accommodations Legislated Levy** will have profound consequences. It is of the outmost importance that Management and Ownership are well versed in these events and the impact to their business.

The **ORHMA** in partnership with **Region 3 (Brant, Brantford, Six Nations/New Credit, Halton & Hamilton)** is holding a presentation on these developments and we urge you to attend.
