

COUNTY OF BRANT

**KING EDWARD STREET RECONSTRUCTION
FROM CHURCH STREET TO REST ACRES ROAD
Contract No. EST 1-10**

The County of Brant has approved that the reconstruction of King Edward Street from Church Street to Rest Acres Road, including new watermains, storm sewer, sanitary sewers, sidewalk, and road work be completed by Sierra Construction of Woodstock. This work will also include the extension of the existing sidewalk on the North side of King Edward Street to Iron Gate Drive.

The anticipated construction start date is May 17, 2010.

The curb and the Base layer of asphalt on all roadways are anticipated to be in place by September 1, 2010. All construction work, under contract EST 1-10, on King Edward Street planned for 2010 is to be completed by approximately October 1, 2010.
