ACCOUNTS RECEIVABLE

Attached is a form for Direct Deposit Banking. In the past, Brant County has solely issued payments to our suppliers in the form of cheques. We are now giving you the option of receiving those payments by electronic deposit that will go directly into your bank account.

What are the benefits of electronic banking?

- Deposited Funds are immediately available to you – no “waiting for the cheque to clear”
- Eliminates the risk of fraud related to stolen or lost cheques
- Reduces your administration time
- Immediate notice of payment by automated email, including all payment details.

We encourage you to sign up for electronic banking today, as it is more secure and efficient. Please complete the form on the flip side of this page and return it to our Accounts Payable Department by fax, e-mail or mail (please be sure to include Option A or B).

We can assure you that your personal information will remain strictly confidential. If you have questions or require further assistance, please call the Finance Department at 519-449-2451 and speak with Denyse (ext. 2230).

Yours truly
