

FIVE-YEAR OFFICIAL PLAN REVIEW
PUBLIC MEETINGS
THIRD SESSION

SCOPE OF THE MEETING:

The County of Brant is undertaking an Official Plan Review that will update and refine the policies and schedules of the existing Official Plan in keeping with new provincial policy initiatives. In addition, the review will incorporate the findings of several on-going County studies.

Previously, three public consultation open house meetings were held in different locations in the County to provide an opportunity for public attendance and input. A second round of three public consultation meetings were arranged to present issues and options as well as to hear public feedback to the issues and options identified. Following the second round of public meetings, a Special Planning Advisory Committee meeting was held for further input into a draft report on Growth Strategy from Marshall, Macklin, Monaghan. Because of the public interest and complexities of the Official Plan Review, a fourth location has been added to the third round of public consultation meetings with details as follows:
