

WATER & WASTEWATER RATE STUDY

NOTICE OF PUBLIC INFORMATION CENTRES

The County of Brant is undertaking a comprehensive water and wastewater rate study. The objective of the study is to review the water and wastewater rates to ensure compliance with the Sustainable Water and Sewage Systems Act, 2002 (Bill 175) and the companion regulation O.Reg. 453/07 – Financial Plans. The study has included considerations of fairness and equity, affordability, conservation, economic development, and simplicity for understanding for the consumers.

As this review will affect the users of the County’s municipal water and wastewater systems, the County is seeking input from the users. For convenience of the users two Public Information Centres will be held between 5:00 p.m. and 8:00 p.m. as follows:

March 29, 2010

Fire Administration Building
61 Dundas Street East **and**
Paris ON
5 p.m. – 8 p.m.

March 30, 2010

Cainsville Community Centre
14 Garnet Road
Cainsville ON
5 p.m. – 8 p.m.

The Public Information Centres will be an informal open house with members of the consultant team and County staff available to discuss and answer any questions the public may have. All users of the County’s municipal water and wastewater systems are invited to attend one of the Public Information Centres. You are welcome to attend at your convenience anytime between 5:00 p.m. and 8:00 p.m.

Information presented at the Public Information Centres will include:

- Project Approach & Schedule
- Development of the Financial Plan – Identification of Costs and Cost Recovery for Sustainability
- Review of Current Rate Structure, Benchmarking, Analysis & Evaluation, Recommended Rate Structure and Impact Analysis

Information presented at the Public Information Centres will be available for viewing on the County’s website at www.brant.ca after March 29, 2010 for approximately 30 days.
