

Thank you for your interest in holding a special event in the County of Brant. Enclosed are the materials needed to apply for approval for a Special Event Application Request. Please follow the application directions very carefully. No Special Event Application will be accepted without submission of a signed application and insurance. A Special Event Application must receive final approval through the County of Brant Special Event Advisory Team (S.E.A.T) process.

The Special Events Coordinator will assist you throughout this process and will be your primary point of contact. You will be notified if your event requires additional permits or inspections for such things as: building permits for large tents or by-law exemptions for noise and refreshment sales. If required, all such permits must be obtained before an approval of the Special Event application can be considered.

This manual has been produced to serve as a guideline for special event organizers in planning their activities. With the Special Event Application, this manual is intended to identify all of the areas that may fall under a policy or procedural guideline which will have an impact on the planning and presentation of the event.

It is the intention of this manual to identify and assist the organizer in following the requirements set out by the County of Brant, as well as other government and legal bodies.

The County of Brant reserves the right to request one or more coordinating meeting(s) which may be required before the event takes place. If required, the applicant will be notified through S.E.A.T.

Following the requirements of this manual and **submitting** your Special Events Application **no less than 90 days prior to the event date** will assist in ensuring that all necessary permits will be in place well **before** the actual date(s) of the event.

For further inquiries please contact County of Brant Tourism at (519)442-6324 or e-mail specialevents@brant.ca

We look forward to working with you!

COUNTY OF BRANT POLICIES AND PROCEDURES / FACILITY REQUEST(S):

The County of Brant receives a large number of applications for special events and the amount of time required to process each application varies with the complexity of the request. **At least ninety (90) days is required to process applications** to ensure adequate time for circulation to applicable departments/agencies and if required to submit a by-law exemption request to Council for consideration.

Use of County Property

Special events are a significant investment of time, money and both human and physical resources. This section of the manual identifies those items which must be put in place for the special event to be approved for operation on County owned streets, sidewalks, parks, facilities, parking lots, and public facilities, or the use of County resources (eg. Water from County owned water main). This manual is for use by ALL event organizers so that consistent guidelines are followed to ensure the safe and successful operation of events.

County owned facilities have a consistent set of rules and regulations that must be adhered to, to protect assets, ensure safety and allow for further appropriate use. These are outlined in your Facility Booking Rental Contract and Rental Agreement.

The safety of those operating and visiting the special event, and respect for County property being utilized is of utmost importance. It is expected that all event organizers will respect and appreciate the area being used. County property is maintained for public use and special event organizers are responsible for any damages caused by the special event or associated (i.e. set up and take down) activity and or restoration.

Booking Procedures for County Parks and Facilities

Initial contact should be made with the Community Services Facilities Booking Administrator to check on the availability of the park or facility before proceeding further with any plans for the event. **It is recommended that facility/park requests be made at least one year in advance of the proposed event date.** In order for the event to take place in the desired location a **Facility Booking Rental Contract** must be obtained through the Community Services Facility Booking Department. The applicant must sign and pay for the facility prior to the event.

Note: Upon receipt of a new special event proposal, a meeting to review the event components may need to be scheduled with County staff. If required, notification will be provided from the Special Event Advisory Tea

Private Property:

Events on private property may require special permits for various event components. Examples include:

- Brant County Health Unit Special Events Permit
- Building Permit (tent)
- Noise Exemption

Private social gatherings will normally make no use of County streets, other than for lawful Parking. Garage sales, lawn sales, rummage sales, flea market sales or other similar casual sales do not require consideration unless parking restrictions on County roads and/or parking lots are required for the safe undertaking of the event.

Compliance

In addition to facility regulations, policies and procedures, the event organizer is responsible for compliance with all Federal, Provincial and Municipal legislation and regulations.

Compensation for County Staffing

The County of Brant may require County personnel, including Police, and/or Fire and Rescue Services be present at the event. Costs for County personnel involved in advance of, during and after the day(s) of the event may be charged back to the organizer. The County of Brant shall determine the number of personnel necessary to ensure the safety of participants, minimize the inconvenience to residents and reduce the public liability exposure to the organizer as well as the County of Brant. If required, notification will be provided from S.E.A.T on the completed application received.

Miscellaneous

- a) The County of Brant is not responsible for any accidents or damages to persons or property resulting from the issuance of a Special Event Application Approval.
- b) A Special Event Application Approval is non-transferable and valid only on the designated dates and times specified.
- c) The County of Brant reserves the right to modify the requirements as deemed suitable to the special event at hand.
- d) The County of Brant reserves the right to suspend, cancel and/or reschedule events.
- e) The event organizer is responsible for ensuring that the organization and all participants and spectators abide by all conditions, by-laws, codes and requirements. A security deposit may be required, depending on the size and nature of the event.

A. ROAD / LANE CLOSURES:

Requests for road closures (including lane closures and/or width restrictions) must be identified in the Special Event Application and submitted at **least ninety (90) days prior to the event**, as the application is circulated to various County of Brant departments and emergency services prior to being considered for approval. Examples include: Biathlon/Triathlon, Cycle Events, and Festivals with road closures as a component of the program.

Whenever a lane is required to be fully or partially closed, the event organizer is required to provide the County of Brant a proper Traffic Protection Plan (TPP) /Traffic Control Plan (TCP) showing how they are proposing to keep the area safe for everyone when they are in the County's Right of Way (ROW). Information regarding the TPP/TCP is found in the Ontario Traffic Manual (OTM) – Temporary Conditions, Book 7. The TPP shows the location of the flag people/police officers (if required), including dimensions as it relates to the work area and the physical geometrics of the roadway. A proper TPP must show all dimensions that pertains to the work area, location of flag people/police officers, proper signage, cones etc. Once the TPP has been reviewed by the municipality, the approved TPP must be kept on site during the event from start of set up to removal from the ROW.

The General Manager of Public Works may authorize emergency road closures for public safety. Road closures may require paid duty police officers, determined by the Brant County OPP. If required, the organizer will be asked to contact the Brant County OPP office at 519-442-2242 to schedule the paid duty police officers as soon as possible.

Costs involved in implementing the detours, placement of barricades, traffic, public notification signing, etc. as directed by the Public Works Department, may be the responsibility of the event organizer.

Unless there is a police officer present to control traffic, participants **MUST** obey all rules of the road, including traffic signs and control devices.

Parking

To avoid parking problems the event organizer should assess available parking and compare to anticipated number of vehicles to be parked. Arrangements should be made in advance to accommodate overflow parking. For most events on-site parking should be arranged to involve the least disruption to the public.

In the interest of public safety, all on-street parking regulations will be enforced. As part of your event promotion, it is recommended that a statement to this effect be included in all marketing and advertising to both vendors and prospective attendees.

COUNTY RESOURCE(S) REQUEST:

Running Water Access

All use of municipal water shall be metered and purchased. If the existing plumbing arrangement does not provide for metering of the water usage, please contact the County of Brant Water Division at 519-449-2451 to arrange for meter installation. No water shall be taken from fire hydrants, whether municipal or privately owned without prior authorization of the Director of Water. Any use of water that poses a risk to the municipal water system shall provide adequate protection to the system through backflow prevention, etc. as reviewed by the Director of Water.

Garbage/Recycling

The event organizer will be responsible for all litter control which includes regular pick-up of waste containers to ensure a sanitary environment, including all cost implications.

Upon completion of the event, the event organizer will return County property to its original condition and be responsible for all litter and garbage collection and removal. Disposal of garbage and recycling is available at County owned Solid Waste facilities during regular operating hours. Applicable tipping fees will apply.

Items classified as "high hazard fireworks" by the Explosives Act of Canada, include rockets, serpents, shells, bombshells, tourbillions, maroons, large wheels, bouquets, barrages, bombardos, waterfalls, fountains, batteries, illumination, set pieces and pigeons. They also include what the Explosives Act calls "high hazard fireworks generally having a practical use" such as large distress signals, sound, pyrotechnic and smoke signals, railway track signals, distress and line-throwing rockets, salutes, theatrical effects and wildlife control devices. A permit is required to discharge Exhibition Fireworks at any time.

County of Brant Fire and Rescue Services will determine the requirements for fire equipment and personnel on site, the cost of which will be the responsibility of the event organizer.

The Fireworks Supervisor shall be responsible for the display and abide by the requirements identified in the Fireworks By-law. The Fire Chief must grant approval for fireworks permits and issue the required license.

For inquiries contact the Fire Department at 519-442-4500 or 1-866-847-5416.

For more information on the sale or discharge of fireworks, contact the By-Law Enforcement Department at 519-449-2451 / Toll Free 1-888-250-2295

Fundraising Activities:

To conduct a lottery event (raffle, 50/50 draw etc.) a lottery license is required.

Tented Areas:

A tent is considered a building under the definitions of the Ontario Building Code and therefore requires a building permit.

A tent or group of tents is exempt from the requirement of a building permit and **is exempt** from compliance with the Ontario Building Code provided that the tent or groups of tents are:

- a) Not more than 60 square meters (645 square feet) in aggregate ground area
- b) Not attached to a building, and
- c) Constructed more than 3 meters (9 feet) from other structures

Where the distance between tents is less than 3 meters (9 feet), the tents shall be considered as one tent for the purpose of determining the combined area.

A completed Building Permit Application Form and plans indicating the following are required:

- a) Site plan showing location of all buildings on the property and clearances to other buildings
- b) Construction details and specifications of tent materials, structure and anchoring
- c) Flame Resistance Rating (FRR) of fabrics and films used, and
- d) Sanitary requirements (if applicable)

If you have any questions in regards to your building permit contact Brant County Development Service at 519-442-6324 or toll free 1-888-250-2296 between the hours of Monday to Friday 8:30 a.m. – 4:30 p.m.

Your tent will require a tent fire safety plan if:

- a) More than 30 members of the public will be consuming food or drink in the tent, or
- b) Your tent will be used for assembly purposes. (More than 30 persons)

If you have any questions about whether or not your tent requires a Fire Safety Plan please contact Brant County Fire and Rescue Services at 519-442-4500 or toll Free: 1-866-847-5416.

Vendors:

A list of all individuals and/or organizations that have been authorized to conduct activities or sell good and/or services on municipal property must be provided within 14 days.

Accessible Accommodations:

The County of Brant is committed to being responsive to the needs of all its residents and guests. To do this, we must recognize the diverse needs of all and strive to provide services and facilities that are accessible.

It makes good business sense to plan your festival or outdoor event with all attendees in mind.

This guide is designed to help you improve the accessibility of your event so that people who come back year after year can do so regardless of their ability

EMERGENCY SERVICE REQUIREMENTS:

The O.P.P., General Manager of Public Works or Emergency Services may cancel or re-route any special event in an emergency situation or for the preservation of public safety.

Police Service / Security:

The O.P.P. reviews all applications and determines if police services are required at the event and, if necessary, the amount of security services required for the event.

In the event that large crowds are anticipated or security is needed, the O.P.P. will establish the requirements for the event. The event organizer may be required to hire additional security/paid duty officers if the tasks involved in accommodating expected crowds exceed their capability to do so with their regular officers.

Under ALL circumstances it is the responsibility of the event organizer to contact OPP to arrange for paid duty officer support. Completion of this application DOES NOT initiate the request for paid duty officers.

Fire / Rescue Department:

The following requirements are mandatory:

- a. All vendors that use tents (more than (60m²) must present proof that the tent meets a recognized flame retardant standard (NFPA 701, CAN/ULC S109) upon inspection.
