ENFORCEMENT SERVICE LEVEL

1. **Patrol (High Priority):** Periodic/routine patrols through all parts of the County to seek out violations. **Proactive (Medium Priority):** Violation observed during course of MLEO duties; MLEO will seek to correct the violation(s).
2. **Reactive/Complaint Based (Low Priority):** Investigation initiated upon valid complaint to confirm violation & correct issues. **BY-LAW VIOLATION PRIORITY CRITERIA**
 1. **High:** Violation(s) highly likely to be health & safety issues to the public

2. **Medium:** Potential to cause health and safety issue to the public, negative impact to the community or environment
3. **Low:** Unlikely to cause health and safety issues to the public, negative impact to the community or environment

NOTES TO TABLE:

(1) Dogs at Large

(2) Enclosure not secure from public entry

(3) Patrols focused in school zones and residential areas with know issues/Pro-active enforcement throughout the County

(4) Prioritization in high density/usage areas
