Celebrate June!

County of Brant, ON – In the County of Brant, June is Recreation and Parks and Seniors Month. This year’s theme is Brighten Up Brant!

“Although we all need to do things differently this year, the County will offer a number of virtual activities, fun resources and a contest to “Brighten Up Brant,” said Stacey Ellins, Manager of Recreation Services for the County of Brant. “We hope you’ll join us for the month of June!”

We encourage you to visit www.brant.ca/June for an online calendar listing of activities and follow us on social media @BrantCommunity.

Things to look forward to include:

- Social media videos from County Councillors and staff sharing their favorite tips to stay active,
- Fun little gifts will be hidden in County parks and trails for kids to discover,
- Online fitness classes, library story time and an Alzheimer Zoom meeting will be hosted throughout the month,
- We will share stories about fellow citizens who are brightening up Brant through their good deeds,
- Water safety will also be a focus for June,
- A Virtual Car Cruise is underway and we encourage you to submit photos of your vintage and classic cars,
- And more.

“We are also excited to host a photo contest for your chance to win an ultimate backyard prize pack!” said Ellins. “Please share your photos with us of how you’re celebrating this June.”

Although we may not be able to gather in-person, we will do our best to support you to stay connected, stay active and stay healthy! Join us Brant and celebrate June!
