County of Brant has Cancelled Tour de Farm for 2020

County of Brant, ON – The County of Brant Tourism team, in partnership with the County of Brant Tourism Advisory Committee, has cancelled the 4th annual Tour de Farm event scheduled for July 4, 2020.

“Each year, we have seen a significant increase in ticket sales for this fantastic event,” said Lisa Henrique, the Special Events and Filming Coordinator for the County of Brant. “The farmers who partner with us have a shared interest in educating the public on the importance of farming in our community. However, with the ongoing COVID-19 pandemic, the safety of the farmers and community is of the utmost importance. For those reasons, we have made the difficult decision to cancel this year’s event.”

Tour de Farm is a one-day event that features four (4) farm tours throughout the County of Brant. Participants, both locals and visitors, purchase tickets which includes entry to the participating farms and a hot breakfast. The goal of the tour is to educate participants on the day-to-day activities of a farming operation and the process of farm-to-table in our everyday lives.

“We look forward to hosting this great event again in 2021,” said Henrique.
