Environmental Assessment to Increase the Biggars Lane Landfill Disposal Capacity to Meet County's Disposal Requirements to Year 2050

The Project: The County of Brant is undertaking an environmental assessment (EA) under the *Ontario Environmental Assessment Act (EAA)* to secure additional solid waste disposal capacity within the County of Brant, based on the approved Terms of Reference (TOR) and conditions of approval for the undertaking. The County is seeking EAA approval to increase the Biggars Lane Landfill disposal capacity to meet the County's disposal requirements to the year 2050.

Biggars Lane Landfill is located in the County of Brant, Ontario, as shown below:

The Process: In May 2015, the Minister of the Environment and Climate Change (MOECC) approved the TOR for additional solid waste disposal capacity through expansion of the Biggars Lane Landfill. The approved TOR outlines the County's framework and work plan for fulfilling the EAA requirements during the preparation of the EA. Information on this project is available at: <http://www.brant.ca/en/explore-our-services/Solid-Waste-Environmental-Assessment.asp>

Public Information Centre (PIC) #4: Members of the Public are invited to attend **PIC#4** the purpose of which is to provide an update on the project since the PIC#3 (held on March 29, 2016) and an opportunity for the Public to provide input. Information at **PIC#4** will include an overview of the purpose of the EA and the EA process, a description of the four expansion alternative methods at the Biggars Lane Landfill site, the results of assessment studies investigating the alternative methods and predicted impacts on the environment, the evaluation of the alternative methods, and the preliminary preferred alternative method.

Members of the public, agencies, Indigenous communities and other interested persons are encouraged to actively participate in the planning of this undertaking by attending **PIC#4** or contacting staff directly with information, comments or questions.

Consultation opportunities planned throughout the EA process will be announced in local newspapers, through the County website at: <http://www.brant.ca/en/explore-our-services/Solid-Waste-Environmental-Assessment.asp> and by direct e-mail/mail out to those on the Project Contact List.

Public Information Centre #4 will be held at:

Date: Wednesday May 16, 2018

Time: 4:30 – 7:30pm

Location: Oakland Community Centre
3 King Street North,
Oakland

In addition to attending the consultation events, you are invited to submit your comments about the proposed undertaking and the EA process by mail, e-mail or fax to the contacts provided below.
