

**Class Environmental Assessments for
St. George Water and Wastewater Servicing**

**Public Information Centre No.3
Tuesday, November 21, 2017
South Dumfries Community Centre, Community Room**

COMMENT SHEET

The County of Brant is interested in hearing any comments, questions or concerns that you may have regarding the St. George Water and Wastewater Servicing projects. The studies are being conducted according to the requirements of Schedule C projects of the *Municipal Class Environmental Assessment* document (Municipal Engineers Association, October 2000 as amended in 2007, 2011 & 2015). Please take some time to complete this Comment Sheet. All comments will be carefully considered in the Class Environmental Assessment Studies. Please drop your completed Comment Sheet today in the box provided, or send it to either of the following individuals (see below) by **December 8, 2017:**

Sandra Rodriguez, P.Eng
CIMA
5935 Airport Road, Suite 500
Mississauga, Ontario, L4V 1W5
Phone: 905-695-1005 Ext. 6718
Email: sandra.rodriguez@cima.ca

Joe Murphy, C.E.T
County of Brant
26 Park Avenue, P.O. Box 160
Burford Ontario, N0E 1A0
Phone: 519-449-2451 Ext. 2209
Email: publicworks@brant.ca

1. Do you have any comments, concerns, questions or suggestions regarding the water and wastewater servicing options evaluated under the St. George Class EA studies?

2. Do you have any comments, concerns, questions or suggestions regarding the preliminary preferred Wastewater Treatment and Biosolids Management concept being recommended for servicing in the St. George settlement area?

Cont'd on other side

COLLECTION NOTICE

Please Note: Comments and information regarding this study are being collected to assist the County of Brant in making decisions regarding the St. George Water and Wastewater Servicing. This material will be maintained on file for use during the project and may be included in project documentation. Information will be collected in accordance with the *Municipal Freedom of Information and Protection of Privacy Act*. With the exception of personal information, all comments will become part of the public record.

3. **Do you have any comments, concerns, questions or suggestions regarding the preliminary preferred water servicing concept being recommended for the St. George settlement area?**

4. **What impacts will this project have on you? and, what mitigation measures would you recommend to be considered during construction of these projects?**

ADDITIONAL COMMENTS:

Thank you for your participation. All comments will be considered in confirming the preferred servicing design concepts. Please provide your contact information below should you wish to be added to our Project Mailing List.
