

We want to hear from you...

Your input is very important to help County Council and staff understand the needs and vision of the community. It will be used to inform the work plan and goals of the study that will begin in 2020.

There will also be several opportunities to provide further input throughout the Master Plan study.

All information will be collected in accordance with the *Freedom of Information and Protection of Privacy Act* (1990). With the exception of personal information, all comments will be included as public input in the Master Plan report which will be placed on the public record. Notices and updates will be posted on the County of Brant's website, www.brant.ca/Studies

If you own multiple properties within Burford, please feel free to complete a separate comment sheet for each property.
