

### You're invited to...

The County of Brant invites you to attend the second Public Meeting in the Paris Flood Mitigation Class Environmental Assessment study. The purpose of the meeting will be to present the existing conditions, the various alternative solutions considered and the recommended preferred solution. Your feedback is important and will help finalize the selection of the preferred alternative, potential phasing strategies, and measures to mitigate the impacts on the environment and community.

The study is being completed as a 'Schedule B' project in accordance with the requirements of the Municipal Class EA (October 2000 as amended 2015). Upon completion of the study, a Project File Report will be prepared and posted for public review and comment.

The public meeting will be held as follows:

**Tuesday, January 14, 2020 \***  
**6:00 pm – 7:30 pm (Presentation at 6:30 pm)**  
**Paris Fairgrounds Exhibition Centre**  
**139 Silver Street, Paris, Ontario**

**\*In the event of a significant winter weather event, the meeting will be held the following day, January 15, 2020; same time and location as noted above\***

Interested community members can drop in at any time during the meeting to view the presentation boards; however, a presentation will begin at 6:30 pm and will be followed by a question and answer session. County staff will be available for one-on-one discussions about the study.

Comment forms will be made available at the meeting and will also be posted on the County's website ([www.brant.ca/Studies](http://www.brant.ca/Studies)) for those who are unable to attend.

All information will be collected in accordance with the *Freedom of Information and Protection of Privacy Act* (1990). With the exception of personal information, all comments will be included as public input in the Project File Report which will be placed on the public record. Notices and updates will be posted on the County of Brant's website, [www.brant.ca/Studies](http://www.brant.ca/Studies)
