To: The Mayor and Members of Council

Re: St George Area Study recommendation from the May 6, 2014 Planning Advisory Committee (PAC)

Further to the motion to accept the St George Area Study at the Planning Advisory Committee meeting of May 6th, 2014, Staff is recommending that the Area Study be endorsed as the outstanding technical matters related to Sensitivity Analysis have been addressed by both County Staff and peer reviewers, as well as the Consultants for the Developers.

Attached to this memo is the Letter from Armstrong Planning and Project Management (dated May 15, 2014) that satisfactorily addresses the outstanding matter on the Sensitivity Analysis. This memo has been reviewed and supported by Staff and Peer Reviewers. Staff is recommending that the Area Study be endorsed by Council as all outstanding matters have been addressed and as the proposal is in conformity with the County of Brant Official Plan.

Sincerely,

Ruchika Angrish
Senior Planner
County of Brant
