Dear Ms. Boyd

I represent Parkland Fuel Corporation ("Parkland").

At its meeting tonight County Council will be considering whether to approve the draft OPA for the St. George Study Area (Report OPA-A-16-RA) and the associated By-law 32-18.

Parkland has previously requested of County staff that the proposed OPA be amended by revising Policy 2.8.9 as set out in our letter dated 24 November 2017 (attached).

By way of this email we are requesting that Council tonight amend the subject OPA/By-law 32-18 to incorporate this wording. This in our view represents good planning.

Should you have any questions regarding the above or the attached please do not hesitate to contact me.

Thank you in advance,

Marc Kemerer
