

**NOTICE: Outdoor masking at Day Camp**

The Brant County Health unit has approved the new guidance released by the Ontario Camping Association where children are not required to wear masks outdoors at day camp.

Effective Monday July 19, 2021, County of Brant campers will not be required to wear masks when outdoors at camp. Please note that camp programming will not change, and we will continue to encourage social distancing among campers. We understand that some families may not be comfortable with this new guidance and respect the decision to continue to have your camper masked outdoors at camp.
