Hometown: Mt. Pleasant

Year of Birth: 1947

Brian Cronkwright is an active volunteer in Mt. Pleasant. In the 1980s, Brian coached T-Ball and fastball in the village of Mt. Pleasant. In the mid 1980s, Brian, along with Steve Harris (deceased 1995), gathered estimates for major improvements to the community's ball diamond. This quickly turned into a fundraising effort for the park, which resulted in \$10,000 of community funding. In 1985, a Mt. Pleasant Softball Association was formed and Brian was elected chair. A Mt. Pleasant Community Park Committee was later formed to undertake the responsibility for softball (as well as the other sports activities) and fundraising initiatives for the park. Brian was chairperson of this new organization until 2013, when the County of Brant assumed responsibility for Mt. Pleasant Park. Brian then became the representative on the Brantford-Oakland-Onondaga Parks and Recreation Advisory Committee for the County of Brant. He chaired that committee for one term and is an active member to this day.
