

School Collection – Recycling Only

Eligibility – If a school is located on an existing collection route and the school provides a written request for service.

Frequency – Same as single detached residential properties within the County.

Quantity – Unlimited recycling can be set out in acceptable recycling container and large 360 litre roll out carts for collection (owner is responsible for purchasing and maintaining roll out carts, carts must be approved by County).

Set out requirements:

- School must be located on an existing residential collection route
- Material must be set out along municipal right of way
- Material must be set out by 7:00am on collection day
- Weight limit is 20kg (45lbs) per container unless 360 litre carts are used
- There is no bag/container limit
- Loose material will not be collected

For further information contact the County of Brant Public Works Department at 519-449-2451.
