New Water Meter Installations in St. George

You're invited to...

The County of Brant invites you to attend the Public Open House to discuss the new water meters that will be installed in every home and business in the community of St. George.

The public open house will be held as follows:

Wednesday, March 11, 2020
5:00 pm – 7:00 pm
South Dumfries Community Centre - Community
Room
7 Gaukel Drive, St. George

Interested community members can drop in at any time during the Open House. County staff and Neptune staff will be available to speak with you about the new water meters.

Impacted property owners will also be receiving communications from our contractor, Neptune Technology Group, in the near future outlining the procedure to schedule an appointment to have this work completed.

We hope you will join us at the Open House to learn more.

For more information about the water meters, visit the County of Brant's website, www.brant.ca/WaterMeters.
