Introduction to the Master Plan for

# DOWNTOWN PARIS

**WEDNESDAY, MAY 2**  
**6:00 - 8:00 pm**

Paris Fairgrounds, 139 Silver Street, Paris

### **What is a Master Plan for Downtown Paris?**

The development of a Master Plan for Downtown Paris is an opportunity to contribute to the long-term, ongoing revitalization and improvement of downtown Paris. This project intersects policy, design, land use planning and infrastructure investment.

**The Master Plan for Downtown Paris will focus on infrastructure needs, including:** sidewalk and crossing improvements, light fixtures and street furniture, parkland features, telecommunications, washrooms and other public amenities.
