

County of Brant Adopt-A-Road Participation Checklist

- ✓ Choose a section of road, typically 1 to 5 kilometers in length. Are there any potential pedestrian safety/visibility issues with this site? Is there another Adopt-A-Road group in this area?
- ✓ Commit to at least 3 clean ups per year, between April 15 and November 15. Work must not occur on long weekends or during peak traffic hours or any other times as specified.
- ✓ All participants are required to sign the County of Brant's **Adopt-A-Road agreement**, review the **Safety Guidelines for Volunteers**, and view the County of Brant's **Adopt-A-Road Safety video**: youtu.be/fbaKW7BFgTo.
- ✓ The County will erect signs at either end of the adopted road to recognize the group's efforts. There will be no cost to the Adopt-A-Road group.
- ✓ The County of Brant will loan up to 15 safety vests to the group.
- ✓ 125 garbage bags (1 box) provided initially. More will be provided if needed.
- ✓ A bundle of flag markers to mark large, heavy or potentially hazardous items will be provided initially. More will be provided if needed.
- ✓ Proposed location for placement of full garbage bags. Groups may also deliver bags to the nearest roads yard, if possible.
