

## How can you help make the roads *safer* in the **County of Brant**?

Join the Pace Car program and be an Ambassador for safe driving.

Request a mobile Brant Safe Street system for a problem area.

Focus on the road and avoid distractions.

Watch for animals, particularly at dawn and dusk. Go slow and scan the road for movement.

Obey the speed limits.

Leave extra room ahead of you in case the vehicle in front suddenly stops.

Yield to the right of way.

Always check your blind spots.

Drive sober.

Be alert.

We want *everyone* to get home **safely**.
