Strategy at a Glance

The County of Brant's Arts, Culture and Heritage Strategy

Vision Statement: The County of Brant is a cultural landscape, reflecting the interplay between its physical context (buildings and landscapes) and longstanding and ongoing cultural practices, traditions, events and activities. The strategy lays out a vision for the conservation, celebration and amplification of these specific physical elements, and the activities that occur on and within them, that shape Brant's culture and make this place unique.

Objective A

Support the **Truth and Reconciliation** through arts, culture and heritage initiatives, in connection with broader municipal Reconciliation programs.

Objective B

Provide an **infrastructure of support** for individuals, institutions, businesses, and organizations undertaking cultural initiatives.

Objective C

Facilitate a spoke-and-wheel model to **support and promote the diverse, vibrant cultural activities** occurring both with a central cultural hub and county-wide throughout Brant.

Objective D

Foster a broadly inclusive cultural sector that supports residents and reflects their diverse experience, perspectives and cultural traditions.

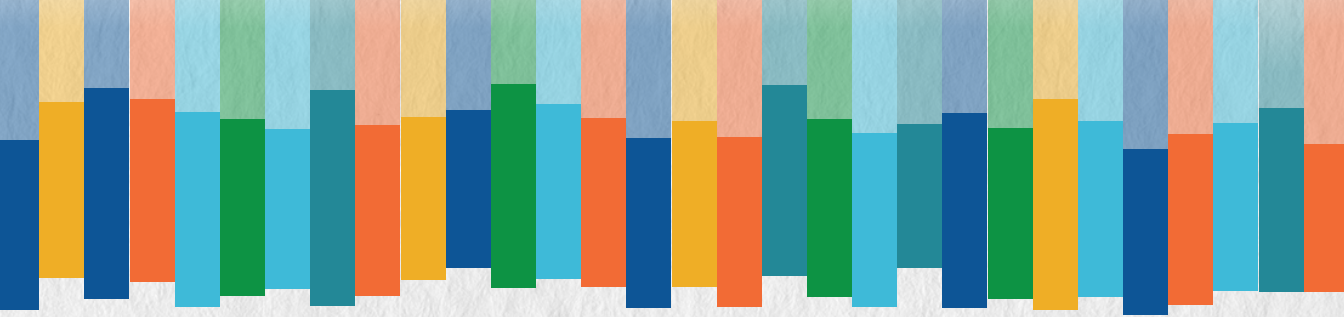

Objective E

Conserve and celebrate Brant's unique buildings, landscapes and stories as cultural heritage assets.

Objective F

Standardize municipal heritage planning practice with the Ontario Heritage Act and with municipal best practices across Ontario.

As we move forward, this Strategy will serve as a practical and actionable guide, helping us navigate the challenges and seize the opportunities ahead. Together, we can build a culturally enriched future for the County of Brant, one that honours our past, supports our present, and inspires our future.

Join us in this exciting journey to enhance and promote the arts, culture, and heritage that make the County of Brant a unique and thriving community.
